Street Pantai Timur No.8 Medan

I am a student majoring in informatics at the Del Institute of Technology who has a great interest in having a career in the IT world. I have an interest in the field of UI/UX Designer. I am someone who likes to learn new things to improve my skills. I also have a disciplined personality, able to stay calm in stressful situations and have the ability to interact and form good relationships with others. I am ready to work in a team and learn about new technologies and tools.
